2017 Summer Art Workshops

Is your child an aspiring young artist? Artistic Endeavors is offering 12 Art Workshops over the course of the summer! During these Workshops, students will complete either a painting or drawing in only an hour and a half! All workshops will feature a new project, so your child can participate in as many Workshops as they would like, and complete up to 12 different projects! The projects for the Painting Workshops will be completed with Acrylic Paints on Canvas, while the Drawing Workshop projects will be completed with Colored Pencil on Drawing Paper. All Workshops are \$20 per student, which includes all art supplies.

All Workshops will run from 1:30pm to 2:45pm.

Please send a smock in with your child for the Painting Workshops.
